

# Khalid Hossain

Frontend Developer with 3+ years of experience building responsive, high-performance web applications using React.js, Next.js, and Tailwind CSS. Skilled in translating designs into pixel-perfect UIs, optimizing performance, and integrating APIs to deliver seamless user experiences.

## EXPERIENCE

### Scaleup Ads Agency, Dhaka — Frontend Developer

January 2025 - PRESENT (11 Months)

- Develop and maintain **responsive web apps** using React.js, Next.js, and Tailwind CSS.
- Convert **Figma/Adobe XD designs** into pixel-perfect, cross-browser UIs.
- Integrate **RESTful/GraphQL APIs** and optimize performance with lazy loading, code splitting, and image optimization.
- Lead code reviews, mentor juniors, and collaborate via Git.

### Frontend Developer — (Freelance)

Self-Employed | Remote | May 2023 – Dec 2024 (Nearly 2 years)

- Built **responsive websites** for e-commerce, organizations, and service-based businesses.
- Delivered **pixel-perfect UI/UX** with modern frontend stacks and REST API integrations.
- Created **high-converting landing pages** and optimized site performance.

## EDUCATION

### Global University of Bangladesh — BSc in CSE

September 2019 - August 2023

I completed my Bachelor's in **Computer Science and Engineering (CSE)** with a CGPA of 3.47.

## PROJECTS

### The Social Chamber — [Preview](#)

Role - Frontend Lead & Cross-Functional Collaborator

- Led frontend development to create a **responsive and user-friendly booking platform** for themed private rooms.
- Collaborated with UI/UX designers and backend developers to **implement seamless, intuitive features**.
- Improved frontend functionality based on **user feedback** to enhance usability and accessibility.

### CQD Cleaning Services - [Preview](#)

Role - Frontend Developer

- Developed and implemented the frontend of CQD Cleaning Services website, collaborating closely with UI/UX designers and backend developers to integrate APIs and ensure seamless functionality and user experience.
